

CONTAINERS SERVICE
SANTANDER 2014 ISAF SAILING WORLD CHAMPIONSHIPS

CONTAINERS

As a courtesy to MNAs who would like to bring a container to Santander 2014 ISAF Sailing World Championships, the organizing committee is willing to provide 25 spaces on a first come first served basis, strictly one container per MNA will be accepted.

The designated area for these containers will be close to San Martin Boat Park.

Teams intending to bring one container shall notify the organizing committee before the: **1st of July 2014.**

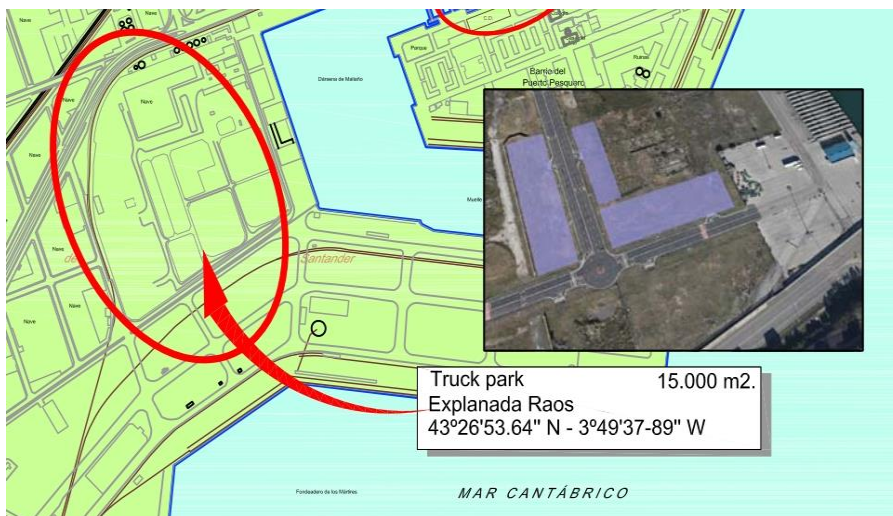

Due to limited space available boat trailers will not be admitted into the venue

Material and extra equipment carried on them can be stored in the Storage Boxes and mast storage holders. Other containers will be stored in Raos container parking area. Although the parking area is located in the premises of Santander port authority, the OA will not provide security monitoring. Therefore, MNAs are advised to empty those containers: their contents can be store in the provided storage boxes (see below).

For operational reasons any container must enter the Venue between 08:00 hrs. on September 2nd and 20:00 hrs. on September 4th and will remain in place until 22nd of September 2014.

All containers shall be removed from the Venue by 20:00 hrs. on September 23rd.

The organizing committee shall provide electric power.
